Lincolnton, N. C., Tuesday, Oct. 24, 1922.

The Synod of North Carolina met in its One Hunderd and Ninth Sessions in the First Presbyterian church, Lincolnton, N. C., on Tuesday, Oct. 24, 1922, at 8:00 p. m., and was opened with a sermon by the retiring Moderator, the Rev. W. E. Hill, D. D., on the text: "Show me thy ways, O Lord; teach me thy paths," Psalm 25:4. After the sermon, the Moderator called the Synod to order and led the Synod in prayer.

TREASURER'S REPORT

Rev. D. I. Craig, D. D., Treasurer, in account with the Synod of North Carolina from October 18, 1921, to October 24, 1922, respect-

fully submits the following report:

RECEIVED

10-21-'21—Balance in Bank of Reidsville	$ 263.19
12-6-'21, and 3-17-'22—From Concord, bal. due on year 1921	65.00
2- 6-'22—Borrowed from Bank of Reidsville	600.00
From Orange in full for the year 1922	165.00
From Albemarle in full for year 1922	75.00
From Fayetteville in full for the year 1922	220.00
From Wilmington on the year 1922	60.00
From Mecklenburg in full for year 1922	210.00
From King's Mt. in full for year 1921, 1922	130.00
	$1788.19

DISBURSED

10-25-'21—Pd. Dr. Lingle's Expense to Synod	$ 9.74
10-25-'21—Pd. Salary of Dr. E. C. Murray, P. Clerk	25.00
10-25-'21—Pd. Salary of Rev. E. L. Siler, R. Clerk	25.00
12-15-'21—Pd. Salary of Stated Clerk and Treas. for 1921	200.00
2- 6 '22—Pd. Brady on Acc. for Printing Mts. of 1921	600.00
2- 6-'22—Pd. Interest on Note in Bank for $600, f4 months	12.00
4- 5-'22—Pd. Brady on balance for Printing Mts. of 1921	150.00
4-22-'22—Pd. Brady balance in full, Printing Mts. of 1921	58.89
4-25-'22—Pd. on Note in Bank $100, and Int. on renewed note, $10.00	110.00
10-11-'22—Pd. on Note in Bank $300, and Int. on new note $3.00	303.00
10-21-'22—Pd. Salary of Stated Clerk $200, and expenses for $13.50, 1922	213.50
	$1707.13
Balance	$ 81.06

This balance of $81.06 stands against a renewed note for $200.00 in the bank of Reidsville, unpaid; leaving a deficit of $118.94, and besides this the expenses of this meeting of Synod and the printing of the minutes of this meeting, (1922) are unprovided for, except by means of borrowed money.

The action of the Synod last year, through the Auditing Committee, that each Presbytery pay "a 50 per cent extra assessment on April 1st," etc., was unheeded and almost entirely disregarded.

All of the Presbyteries except two, Concord and Wilmington, have paid in full their assessments for 1922. Concord is due the

whole of her assessment of $165.00 and Wilmington is due a balance on 1922 of $40.00. These two amounts would more than cover the deficit at present if they were in hand.

Your treasurer would say, as he did last year, that he has no recommendations to make. The trouble is we run this business a year behind hand; no money comes to your Treasurer until October, but the printer of the minutes of this meeting will want his money as soon as the work is done, consequently your treasurer has no alternative but to borrow it as heretofore.

I am glad to say that the printing of the minutes of this year, (1822) will not cost near so much as last year. Last year we printed the Roll of Elders and Deacons and their addresses in the minutes, besides 200 copies of the Roll alone as extra, and all of that, about 360 pages, in all, will not be required this year.

Respectfully submitted,

D. I. CRAIG, Treasurer.

Reidsville, N. C., October 21st, 1922.

Subsequently the Auditing Committee made the following report which was adopted:

Your Auditing Committee begs to report that they have examined the books and records of the Synod's Treasurer. All collections are properly recorded and all disbursements supported by voucher. We approve his records and commend his diligence and accuracy.

THOMAS SMITH, Chairman.

H. P. FEIMSTER,

Committee.

ering fraternal greetings, to which suitable response was made by the Moderator and members from the floor. cal Seminary. The report was adopted as a whole and is as follows:

REPORT ON SCHOOLS AND COLLEGES

To the Synod of North Carolina at Lincolnton:

Your committee on Schools and Colleges, beg leave to submit the following report:

With grateful thanks to our Heavenly Father we report, that of our eleven institutions, we have not one teacher, so far as we know, who is not thoroughly sound in the faith, as to the great fundamentals of our Church.

We have abundant evidence that the past year has been a most prosperous one. Taken as a whole, the attendance has been larger—the teaching force larger—the intellectual and spiritual uplift of our students has been such as should make us truly thankful to the great Head of the Church for His blessing upon the work. Our officers and teachers are men and women, we believe, of the highest type of Christian character.

We sound this note of optimism despite the fact that we are ever mindful of the burning of Chambers Building at Davidson; not even this great catastrophe was allowed to interfere, for more than a few hours, with the regular work. The resourcefulness of the President, Faculty and Student Body in this hour of trial was inspiring indeed; it could only be compared to their loyalty and willingness to continue without interruption, the great work they had begun. The spirit of co-operation and helpfulness as shown by the town and community, in opening up their homes to the stranded students, is worthy of our highest appreciation.

Though the present year shows a decrease in number of students from 1842 last year to 1749 at present, we find nothing discouraging about this, as it is largely due to the fact that our Colleges are holding rigidly to a higher standard required for entrance.

Westminster is temporarily closed, while the other four institutions doing grammar and high school work, are running with 29 teachers and 275 students.

Grove—7 teachers and 47 students.

Elise—4 teachers and 61 students.

Glade Valley—6 teachers and 80 students.

Albemarle—12 teachers and 87 students.

All of our Colleges are crowded, especially the boarding departments, operating with 121 teachers and 1356 students.

Queens—24 teachers, 3 officers and 246 students.

Mitchell—13 teachers, 149 students.

Flora MacDonald—34 teachers and officers, 269 students.

Peace—27 teachers and officers, and 142 students.

Davidson—29 teachers and officers, more than 30 Reading and Laboratory assistants, 5 others doing clerical and office work, and 550 students.

Last but not least, **Union Theological Seminary**, 10 teachers, with necessary clerical and office assistants and 118 students.

Grand total: 166 teachers, with 35 assistants and 1749 students.

All of these institutions operated last year at a total cost approximating $584,218.00.

Most of our institutions are well equipped with teachers, though it is a well known fact, by those in charge, that while Davidson is doing perhaps the best work of her history, it is because of the self-sacrificing spirit of her teaching force; many of them doing more hard work than should be expected. We must have more professors there, or we cannot expect to continue as we are doing now.

Flora MacDonald, Peace and our Theological Seminary are compelled to rent rooms or apartments on the outside, to accommodate teachers and students. This fact bears out the statement made by each and every one of our institutions, that if they only had a larger and better equipment the student body could be increased at least thirty per cent within two years time. Yet, brethren, we would not have you believe the noble men and women in charge of these institutions are simply thinking in numbers, as their first ambition is higher grades and more thorough work.

The slogan heard on the Davidson campus is "A Better and a Bigger Davidson," and we know this is true from the humblest grammar school grade, to the highest post-graduate work of our Union Theological Seminary.

BUILDING AND IMPROVEMENTS

The past year has not been without building operations and general improvements. Reports show $186,400.00 spent in this way.

tories, at a cost of $140,000 and an up-to-date Heating Plant at a cost of $30,000.00

Grove—Septic Tank	400.00

Mitchell—More land, new laundry, with considerable improvements in building	9,000.00
Flora MacDonald—General Improvements	1,000.00

Recent reports show a total sum invested in Real Estate for the Eleven Institutions	$2,372,332.00
Total sum of endowment	1,661,219.00
Grand total	$4,033,551.00

In making this statement, the Synod must bear in mind that other Synods have a material and spiritual interest in both Davidson College and Union Seminary; we thank God for all of these things.

THE MILLION DOLLAR CAMPAIGN

Our Treasurer, at Greensboro, reports under date of October 1st, 1922, the sum total collected, $702,157.70. This includes, however, $190,000 counted in the beginning as a part of the million dollars.

To put this statement in another form—we will say that at the close of the Campaign, March 1st, 1919, Dr. Melvin reported pledges in the office at Greensboro amounting to $908,969.66. Of this amount we have collected $512,157.76. This does not include the Rockefeller, C. E. Graham, or the Reynolds gifts. Gross expense to Oct. 1st, 1922, $70,999.40.

BENEVOLENT FUND

Each of our several Presbyteries has requested the churches to give a certain percentage of their general collections for schools and colleges. When this plan is faithfully carried out by all our churches, we will have an annual income of sixty or seventy thousand dollars, which you can see would be equal to more than a million dollars endowment.

Mr. F. L. Jackson, our esteemed Treasurer, submits his report, which shows total receipts of $15,112.48; which has been distributed to the various institutions as designated by the several Presbyteries. In addition to this, we are able to report approximately $11,884.00 sent direct to our various institutions and not passing through the hands of our Synod's Treasurer.

The Year's Expense, Incident to the Chairman's and Treasurer's Office work:

Brady Printing Company	$58.20
Presbyterian Standard, (Advertising)	18.95
M. W. Cranford (Postage Stamps)	27.00
Ledger	3.15
W. M. Hunter, postage, stationery and clerical expenses	40.00
	$147.30

The Committee notes with much interest the Campaign now being carried on for the raiising of $600,000 for Davidson; and desires to give this cause a most hearty endorsement. Of this you will hear more from President Martin.

It may sound like a far cry, but your Chairman is thoroughly convinced that the time must come, and will come, when we will have more general Synodical co-operation with each and every one of our institutions. Aside from the Million Dollar Campaign, our our Colleges for Women and Mission Schools, are looked upon as local Institutions, and every Institution naturally feels that it must stand alone and fight for all it can get.

We need to cultivate a School and College Synodical consciousness. While we fully realize that we are not doing near enough for the education of our sons, we certainly should be waking up to the fact that so far as our Synod is concerned, the education of our daughters, compared with that of our sons, is more in quantity than in quality. Except for the fact that a woman is more willing to sacrifice and struggle, and make brick without straw, than the man

it is quite probable that even at this day, our colleges for women would not be as proficient as they are. Just take a glance at the figures. It is a known fact that we have more girls than boys in our Synod seeking a college education. Yet two of our colleges for girls have no endowment at all, and two of them combined, only have $162,000.00 over against $538,982.00 for men. Note some figures culled from report of our own Assembly's Educational Association by Miss Graham of Peace Institute:

7 Girl's Colleges, total endowment, $496,194—average of $70,885.
8 Men's Colleges, total endowment, $2,906,120—average $363,265.
3 Co-ed Colleges, total endowment, $469,678—average, $156,559.
10 Junior Colleges, total endowment, $60,000—average, $6,000.

Some may say that Davidson educates students from other States; to that the reply can be made that so does Mitchell; so does Queens; so does Peace and so does Flora MacDonald.

Then, Brethren, we must not forget our 5 mission schools; would that we had time to tell you the story of each one of them; of the large things that they are doing with a mere pittance in the way of financial support.

Listen, the story would be something like this from one Institution which has only been in existence about 18 years; back in the woods, many of us hardly know where it is. Today they have to their credit:

14 Ministers; 10 Candidates for the Ministry; In the Volunteer Band there are 2 Medical Missionaries; 2 Nurses in Training; 2 for Evangelistic Work.

"By their fruits ye shall know them."

Respectfully submitted,
W. M. HUNTER, Chairman.
Committee of Schools and Colleges.

Synod took recess for ten minutes.

The Synod reconvened and engaged in the Synodical Communion service conducted by Rev. Messrs M. E. Hansell and W. A. Murray.

Memorials of deceased brethren were read and adopted as follows: That of Rev. J. E. Wool by Rev. J. W. Grier, that of Rev. D. M. Armentrout by Rev. J. M. Clark and that of Rev. Geo. A. Sparrow by Rev. J. H. Henderlite.

JOHN E. WOOL

John E. Wool, son of James C. and Elmira Wool, was born in Nyack, N. Y., August 15, 1858. After having attended literary school, he entered Union Theological Seminary in Virginia where he graduated with the class of 1886. Was licensed by East Hanover Presbytery in May, 1886, and was ordained by Roanoke Presbytery in October of the same year. He was pastor of Briery church, in Prince Edward County, Virginia, 1886-1890. For the following six years he was evangelist of Abingdon Presbytery, and from 1896 till 1901 he was evangelist of the Synod of Virginia. He then became pastor of the church at Oxford, N. C., where he served till 1906 when he was called to be pastor of the Presbyterian church at Wilson, N. C. In 1908 he was called to the pastorate of Bethel and Cornelius churches, which field he served for six years. He then became pastor of Mallard Creek church and later served as pastor of Pegram Street church, Charlotte, N. C. Recently he had been called to become Superintendent of Home Missions of Central Mississippi Presbytery, which work he took up March 1st. He was allowed to labor in this field only a few days, for the Lord saw fit to call him to a higher service March 8th, 1922.

Mr. Wool was twice married. He was first married to Katherine Kelly, of Tazewell, Virginia, to this union was born one son, James, who is now preparing to preach the Gospel. His second wife was Miss Annie Webb, of Oxford, N. C.

The life of this servant of the Master was characterized by earnest devotion to the work which God had called him. The note of evangelism sounded clear in all of his preaching and bore much fruit through his ministry. As a man, Mr. Wool was a cultured gentleman. As a Presbyter, he knew the work of the church well, and took a deep interest in the welfare of the church at large. He was the efficient Stated Clerk of Mecklenburg Presbytery for a number of years.

Our dear Brother Wool now rests from his earthly labors, but his work done here among us and elsewhere, is going on, and will continue to follow him.

J. W. GRIER, Committee.

DAVID McGUFFIN ARMENTROUT

David McGuffin Armentrout was born on what was known as the Racetrack farm in Monroe County, Virginia, now a part of West Virginia, March 26, 1857. He was the son of William L. and Martha

A. Armentrout, who when he was about nine years of age moved their family to Greenbrier County and settled about eight miles from Lewisburg, where David was brought up on a farm.

He lived on the farm until he was 21 years of age, when he went to Texas and engaged in work on a ranch near Belton, Texas. It was during the five years which he spent in Texas on a sheep ranch that he contracted a severe catarrhal trouble which handicapped him the rest of his life.

It was while he was in Texas living the life of a rancher that he decided to enter the gospel ministry. From his character throughout his boyhood and into young manhood, it is believed that he had for several years prior to the announcement of this purpose to make the ministry his life work, seriously considered this question, but on account of his inability to secure such an education as he knew the Presbyterian Church required, he hesitated for some time, but finally decided to yield to the conviction which he had that it was his duty to preach.

When this decision was finally reached, he began at once to make the necessary preparation. He went to public schools in West Virginia, to an academy near Roncevert, Virginia; then he took a special course in Hampden Sidney College, and in Washington and Lee University, and finally graduated from Union Theological Seminary, then in Hampden Sidney, when he was about 31 or 32 years of age.

From the time of his conversion at 16 years of age, to the time of his death David Armentrout displayed a high type of Christian character. He was a man of prayer, a constant student of God's Word, a man of strong faith and convictions, of wonderful patience even under the greatest trials and heaviest sorrows that can befall one here in this vale shadowed by life and death. He was always considered by the large family to which he belonged, and by the many friends who knew him, as one of the humblest, most Godly and truest of Christian men.

Brother Armentrout was twice married. His first wife was Miss Daisy Brown of Hampden Sidney, Virginia, to whom he was married, May 6, 1891. To this union were born three children, two girls and one boy, all of whom survive. On August 9th, 1903, the first Mrs. Armentrout died, leaving her husband to care for the three small children. On March 2, 1907, Brother Armentrout was again married to Miss Douglas Conway of Morganfield, Kentucky. To this union no children were born, but she was a real mother to her step-children who loved her very devotedly. She died on June 30th, 1920, in Le-

noir, N. C., soon after her husband entered upon his work in Caldwell County in Concord Presbytery, which was his last work.

In the providence of God, Brother Armentrout's ministry was diversified, having labored as pastor, teacher and missionary in Tennessee, Florida, Kentucky, West Virginia, Oklahoma and North Carolina. During his entire ministry he was handicapped by the state of his health, and it is believed that the frequent changes in location were due to his effort to find climatic conditions that would enable him to do the work of the ministry with more comfort and efficiency.

On April 3rd, 1922, Brother Armentrout passed from earthly service to heavenly glory, after only a few days of extreme suffering from an aggravated attack of pneumonia, following a case of influenza, at the age of 65 years and 7 days. He is survived by his two daughters, one son, four brothers and one sister.

As a man he was humble, consecrated and faithful. As a preacher, he was earnest, tender, scriptural and spiritual. He was passionately in love with his calling, and, it is said, that he never preached a sermon that did not have the earmarks of preparation and prayer.

He fought a good fight, he has finished his course, he has kept the faith, and we believe he will be among those who will receive the crown of righteousness from the Lord, the Righteous Judge in that day.

"Life's duty done, as sinks the sun,
Light from its load the spirit flies;
While heaven and earth combine to say,
'How blest the righteous when he dies.'"

J. M. CLARK, Chairman.

GEORGE ATTMORE SPARROW

1845—1922

George Attmore Sparrow was born at the summer home of his parents in Beaufort, N. C., July 14, 1845. His early days were spent with his grandfathers, Thomas Sparrow and John Blackwell, at Newbern, N. C., and at the home of his parents who were then living in Washington, N. C.

Mr. Sparrow came of distinguished American stock. "His mother's family, the Blackwells, were New York people. His great-grandmother was a sister of Cyrus Field who laid the Atlantic cable. It was this Blackwell family who gave Blackwell's Island to New York

City, as a great charity island.'' Mr. Sparrow's father, Major Thomas Sparrow, was an outstanding soldier and officer in the Confederate army and had charge of the coast and city defences during the war.

As a lad, Mr. Sparrow entered Bingham's Military Academy, but his career there was cut short when at the age of sixteen he ran away and joined the army, serving under his father. At the close of the war he studied law and was admitted to the bar. He was unusually well fitted for the profession of law, both in temperament and natural gifts and made signal progress. For eight years he served with success as solicitor. His keen, vigorous mental endowments, his strong gifts as a speaker and his deep interest in all matters affecting the public welfare, along with his genial disposition and the pleasure he derived from mingling with his fellow men, marked him out for a public career. Had he remained in the law he doubtless would have gone far in his profession and been numbered among the leaders of the State.

But Mr. Sparrow had heard another imperative call; the constraining invitation of One who said to him, ''Follow me and I will make you a fisher of men.'' At once and without protest he renounced the profession he had successfully followed for sixteen years, and entered upon his course of preparation for the ministry. Having been ordained he left his comfortable home and took his wife and children to Macon County, where, among the mountains of this extreme western section of North Carolina, he did mission work for more than a year. Thence he moved to Rutherfordton for a very fruitful pastorate, in which he so gripped the hearts of the people as to hold their admiration and esteem long after he ceased to be their pastor.

Twenty-nine years ago Mr. Sparrow was called to the pastorate of Olney and Union churches in Gaston County. He accepted this call as from the Lord and at once entered upon what was to be his work for the remainder of his long and useful ministry. Just a few months before his death he severed his connection with Olney in order to devote all his time to Union church. His entire life and ministry was spent in this Synod.

His death on July 24, 1922, terminated what was probably the longest continuous pastorate in the Synod at the time; excepting only that of Dr. H. G. Hill, the venerable Nestor of this body. His ministry in Gaston County began years before King's Mountain Presbytery came into existence. He was one of her charter members, having argued eloquently before Synod for the erection of the Presby-

tery, and till his death he was always among her most devoted and loyal members.

Mr. Sparrow's extended ministry in Olney and Union churches was fruitful and happy. An unusually strong and tender bond held him and the people of these two large country congregations together. The loyalty and affection between pastor and people never wavered throughout an association of nearly thirty years. Perhaps no higher tribute can be paid to the fine qualities of the man; not merely to his judgment and tact, but to the essential soundness and integrity of his endowments of mind and heart.

Mr. Sparrow's influence was not confined within the bounds of his pastoral charge. He was an exceptionally public-spirited man and interested in all that affected his State and county. He attended and took part in civic assemblies and was much in demand as a speaker at popular gatherings. He was especially interested in his old comrades who wore the gray and in all things pertaining to the Confederacy. Rarely did he fail to attend the veterans' reunions, and at the time of his death he was the beloved commander of Henry A. Wyatt Camp of Confederate Veterans.

Mr. Sparrow was a faithful Presbyter. He kept in close touch with the work of the Synod and of the Church as a whole. But it was in the Presbytery that he took the deepest interest. He was never absent from a meeting except of necessity. He had served the Presbytery faithfully and well in every capacity.

Mr. Sparrow was twice married. His first wife was Miss Susan Selby Brown of Washington, N. C. Their union was blessed with seven children. His second wife was Miss Elizabeth Bryan Ewing, of Washington, D. C., who after a happy married life of eleven years survives him.

Mr. Sparrow's sudden death occured within two weeks after his seventy-seventh birthday. He was spending a few days with Mrs. Sparrow at Montreat in the Chapman Home when the end came. As he sat on the veranda there in the evening, his eyes feasting upon the mountains that stretched their beauty before him, without jar or wrench, the silver cord was loosed, and very quietly and gently he fell asleep.

A long and useful life—we cannot measure its worth. As a man, a citizen, a minister of the gospel, for nearly fourscore years he had served his day and generation. The meaning of such a career may

not be told in words. A brave and true and genial gentleman and a faithful soldier of the cross, our brother's record is written on high; his best earthly monument is to be seen in those uncounted lives that during his long ministry knew the molding influence of his life and teaching.

J. H. HENDERLITE, Chairman

The committee on Nominations made the following partial report which was adopted:

In response to the request of the Home Mission Committee we nominate the following as a special committee on Church and Manse Erection, viz.: Rev. Messrs J. S. Foster, A. S. Johnson, Letcher Smith, D. T. Caldwell and A. W. Crawford and Ruling Elder Ed. Crow.

Synod took recess until 2:30 p. m.

Lincolnton, N. C., Wednesday, Oct. 25, 1922.

Synod convened at 2:30 p. m., and was led in prayer by Rev. Wm. Black in behalf of Rev. Geo. Atkinson in his bereavement in the death of his wife.

The first order of the day—the report on Stewardship—was taken up, the report of the committee was presented by Rev. J. H. Henderlite, the chairman. The report was received, and pending its adoption, Synod heard addresses by Mr. J. B. Spillman, Secretary of Stewardship, and by Rev. Henry H. Sweets, representing the four Executive Committees of the Assembly. Report went over as unfinished business.

It was made the order of the day to hear Rev. R. C. Anderson after the addresses of the young men from Davidson, this afternoon, and to hear Dr. McFayden in the interest of the Assembly's Training School this evening after the presentation of Synod's Home Missions.

Messrs L. P. Burney and W. A. Gamble, representing the student body of Davidson, were heard in the interest of the

student activities in Christian work. The thanks of the Synod were expressed for the addreses of these young men, and their proposed offer of help to our churches and young people's organizations was commended to our churches and pastors.

The addresses of Mr. Spillman and Dr. Sweets were referred to the committee on Stewardship.

Synod met at 7:30 p. m., and was led in prayer by Rev. W. W. Akers.

The Stated Clerk was directed to send a telegram of sympathy to Rev. Geo.Atkinson in view of his recent bereavement.

Rev. A. W. Crawford presented the report of Synod's Home Mission Committee, which was received and approved and adopted as a whole, and is as follows:

SYNODICAL HOME MISSIONS

In pursuance of the policy adopted by the Synod of 1919 your Committee has extended the work vigorously throughout the year, encouraging the Presbyteries in every advance movement and declining no request that came from them in it, entering new fields and dividing fields previously occupied.

In the general evangelistic work our force has been cut down by the removal of two of our evangelists to other fields of labor, so that we close the year with two evangelists where a year ago we had four.

Though depleted in number, the blessing of God has rested richly upon the work of the faithful and consecrated servants of the Synod in this department.

Rev. William Black has completed his 28th year of continuous labor in the service of God in the Synod's work with increasing evidence of the seal of God upon his labors, these latter years being the most fruitful of all of his long service. He reports that since the last meeting of Synod he has conducted 21 series of evangelistic services, preached 328 times, conducted scores of other religious services, preached in 24 different places. In these services there were 880 professions of faith and 321 additions to the Presbyterian Church by profession and a large number by letter. 206 persons promised to establish family worship and 3790 to read the Bible and pray daily. He raised $1,002.17 for Congregational expenses and $2,058.58 for Synodical Home Missions. He assisted in the organization of three Sunday schools and one church.

In many of these services large numbers of colored people were present in special seats assigned them, and some services were held for them exclusively.

The evangelist was absent from the State in January undergoing treatment for his eyes, so that his report covers the work done for 11 months only.

Rev. Leonard Gill has given us his first full year of service as General Evangelist of the Synod with increasing fruitfulness and with constantly greater demand for his services. He reports 22 series of evangelistic services in the year, in which there were 777 professions of faith and 398 additions to the Presbyterian Church on profession and $1,865.64 contributed for Synodical Home Missions.

Rev. Conner Brown continued in active service through June. After the usual month's vacation, he closed his relations with us August the 1st, to enter on other service. In the nine months of active serivce he reported 14 series of evangelistic services in whch there were 455 professions of faith and 185 additions to the Presbyterian Church and $584.99 contributed to Synodical Home Missions

We were again fortunate in securing the services of Rev. Dr. D. K. Walthall of Waynesboro, Virginia, for one meeting held at Mebane in which the church was greatly blessed. 22 persons made profession of faith and 12 united with the Presbyterian church.

In all, in this department of the Synod's work, our General Evangelists held 57 series of evangelistic services in which they reported 2,115 professions of faith, 886 additions to the Presbyterian

Church by profession, 111 by letter and $4,649.43 contributed for Synodical Home Missions.

We recognize with thankfulness to God our privilege in these meetings of being of special service to the work of His Kingdom through the fruits that go into the churches of other denominations.

Our Evangelists endeavor, as far as possible, to secure the co-operation of the other pastors of the community with their people and they share with us in the blessings of God. In one notable instance this year where the evangelist used a tent and all denominations worked together, at the close, on the last night, the several pastors called meetings of their several congregations in different sections of the tent and received the members at the same time. Our church being the little sister among the churches of the town, received 6, while 54 united with the several other churches. Of this part of the fruitage of our work we can make no record, but we are thankful to God that we can be of this service and we know the names of many are thus written in the Lamb's book of life. We should always recollect this fact when noting the difference in our record between the professions of faith and the additions to the Presbyterian Church by profession.

With the less expense in our General Evangelistic work for the year there was an increase of $6,608.42 in our receipts for the general work. From these two sources we were able to respond to all the calls of the Presbyteries for aid in the advance work in the local fields, and large advance was made in this department. This is shown in the fact that we report 84 workers in all departments for a whole or part of the year, supported wholly or in part by the Synod's Committee, where last year we reported 64. Of the whole number, ten were theological students, and we want to bear special testimony to the fine service rendered by them. We note an increasing maturity and fruitfulness in the work of our young men from the seminaries. They have gone back to their winter's study with our appreciation, with the love of the people among whom they have labored and we trust with the blessing of God in their own lives gotten through the service.

We have also found valuable service in our college boys, a limited number of whom we were able to employ in the Sunday School Mission work.

We have also had in the service 10 women, mostly trained women from the Assembly's Training School, engaged chiefly in the mill villages and in other Sunday school mission work. We bear our testimony to the faithfulness and fruitfulness of their work. In

certain forms of work, especially in the mill villages we find them especially fitted, and their labors especially blessed.

The ordained minister must be, however, and is the chief factor in the work and we report an increase of 6 in the service of the Committee, from 54 last year to 60 this year.

We submit the following summary compiled with much care from about 1,000 monthly reports from the men in the field:

THE WORK DONE

84 workers engaged, including 70 ministers: 60 ordained, 10 theological students; 14 Sunday School missionaries: 4 men, 10 women, working especially in the mill villages.

They served fields in which there were 177 churches out of the 508 in the Synod. 135 of these are the weak mission churches. 42 the self-supporting churches, out of the 57 served by the evangelists of the Synod.

Ninety-nine other mission points. They reported: 6,829 sermons preached, 3,173 profession of faith, 1,709 additions to the Presbyterian Church on profession, 358 additions by letter, 19 Sunday Schools organized, 12 churches organized, 3 churches erected, 7 churches and manses under construction have been aided, and appropriations not yet been made for 11 others.

$52,555.76 has been expended in the whole work.

HOME MISSIONS—NORTH CAROLINA—FOR ONE YEAR, '21-'22
THE COMBINED HOME MISSION WORK OF THE SYNOD, THE PRESBYTERIES AND THE CONGREGATIONS
OCTOBER, 1921—OCTOBER, 1922

Because the Synod's work is not a separate work from the work of the Presbyteries, but only a means through which the Presbyteries work together for their mutual advantage, this table of the work of the Presbyteries is presented together with that of the Synod and the Congregations to show the whole mission work in the Synod. Because a large part—60, of all the workers are supported by both Presbytery and Synod and report to each committee, their work is a

part of, and appears in both Synodical and Presbyterial Home Missions. In making the summary, however, great care was taken so as not to count twice.

THE SURVEY—OUR APPOINTED TASK

In order that we might know more definitely our appointed task and might undertake it in the most businesslike way, the Executive Committee sent out a request to the Home Mission Committee of each of our North Carolina Presbyteries on January 10th, urging a careful re-survey of all their territory.

The Presbyteries entered into it vigorously and have done the work, each in its own way. In Concord four Seminary students were engaged all summer under the Presbytery's Superintendent, making house to house canvass of destitute sections. In others the Presbytery's Superintendent has given a large part of the year to it. Others had it well in hand on their own initiative.

Reports have been received from every Presbytery, some very full and exhaustive. Some of the estimates are low. These reports are compiled as follows:

NEW WORK NEEDED

PRESBYTERIES	Additional men needed to enter and occupy fields	Estimated cost that could be borne by Presbyteries	Estimated amount needed from Synod	Organized Churches without buildings	Mission Stations needing buildings	Total church buildings needed	Fields without manses
Albemarle	7	$ 2,000	$10,350	6	1	7	7

Total	41	$24,760	$38,860	28	12	40	50
		38,860					
Total Increase		$63,620					

It is not the purpose of your Committee to enter every community. Perhaps we may not need to enter every county. But the survey was an effort to find just where there is a need for the work of our Church and what God expects of us, our reasonable task in North Carolina today.

This is the task which we assumed in the memorable action of 1891 at Durham now 31 years ago.

With the definite knowledge before us of what it is, have we reached the point where we can reasonably grasp the whole situation and undertake the whole of the task? We believe it is not an unreasonable thing for the Synod to undertake its portion of it. The estimated increase in cost is no greater than we have increased our annual expenditure since 1916. We believe it can be done inside of the present percentage allotted to the work by the Synod in the Progressive Program, if the Presbyteries will not change the percentage and the churches will come with the full amount of their apportionment. With this definite proposition before our people we believe they will respond to it, and if we will dignify the work and go before our young men with a call high enough and strong enough we have faith in God and in the fine young manhood in our Church

today that they too, will respond and that our people in North Carolina will furnish the money, and that we can get the men to do what is needed to be done.

We therefore submit to the Synod the following:

RECOMMENDATIONS

1st. With the facts of the survey, just made, definitely before us, we accept the call therein as our appointed task. In humble reliance upon God, we resolve to undertake the whole of it, with the Presbyteries; we challenge them to meet us in the supreme endeavor; and we call upon the Church in North Carolina to sustain us in it: Until we have carried through our resolution of 1919 and placed a man in every field in the bounds of the Synod where there is an evident need for the work of our Church.

2nd. We repeat the call made in 1920 to the Women's Auxiliaries to a full and adequate participation with us in this work, and emphasize it now in the fuller view of our great task. We record with great appreciation the increase in both the amount contributed by them and in the number of Auxiliaries contributing, and we urge upon them that the same proportion of all their benevolent contributions, 10 per cent, be given to this work as we ask of the churches.

3rd. That the 2nd Sunday of January be designated "North Carolina Day" in the Sunday Schools and Young People's Societies; that definite information be given them of our task, and that a special collection be taken in each Y. P. Society and Sunday School, for the great work undertaken in our own State; of which particular record shall be kept by Synod's Superintendent and report be made by him to the next Synod. That "North Carolina Day" be observed the 2nd Sunday in July where more suitable, especially in the country churches.

4th. That the 10 per cent previously alloted to the Mission work of the Synod in the Progressive Program be confirmed and all the Presbyteries be urged to conform to it.

Your Committee would call the attention of the Synod to the other great problem which we face apart from men and their support above set forth: that of housing our newly organized young churches and mission stations and providing manses for our mission workers. Definite reports have been asked for from all the Presbyteries and secured, as indicated in the table submitted: 28 organized churches without buildings and 12 mission stations needing buildings, or a need now of 40 church buildings, besides 50 manses. This will

be rapidly and largely increased with the development of the work as above indicated. We can not go forward without some provision to solve this problem. It cannot be done from the receipts for the general work. The churches must be housed else they will die, or be stunted and largely fruitless from their birth. The housing of our workers in the new work is almost as essential. Suitable homes most often can not be secured and the salaries do not justify the necessary rent charges if they could be secured. In calling our strong young men to this strenuous service and sacrifice we should at least provide them and their more sacrificing wives simple, but comfortable, attractive home surroundings.

Your Committee under authority conferred on it to finance the work committed to their trust has set $200,000.00 as the amount of a fund necessary for this work and authorized the institution of a campaign therefor. We recommend:

5th. That a special committee be appointed by the Synod consisting of three members of the Home Mission Committee and three from the Synod at large to take under consideration the matter of this fund to report recommendations to the Synod at this meeting.

6th. We recommend that the Church and Manse Erection League be placed under the general control of the Whole Committee instead of just under the Executive Committee, as originally ordered, along with all other matters pertaining to Church and Manse Erection, as in other departments of the work.

7th. We recommend that Rev. William Black, D. D., and Rev. Leonard Gill, be re-elected General Evangelists of the Synod for the ensuing year and Rev. A. W. Crawford for Superintendent and General Evangelist.

With gratitude to God for the seal of his blessing upon what has been done in His name and with a profound sense of the obligation now resting upon us this report is respectfully submitted.

By order of the Committee.

A. W. CRAWFORD, Chairman.

The report of the Special Committee on Church and Manse Erection was received and adopted as follows:

REPORT OF SPECIAL COMMITTEE ON CHURCH AND MANSE ERECTION

Your Special Committee composed of three members of the Syn-

od's Home Mission Committee and three from the Synod at large, to consider the question of a Church and Manse Erection Fund, submits the following report:

We have examined the report of the Home Mission committee and believe that its survey of equipment needs was made with care and painstaking accuracy. It discloses the fact that at present there are 28 organized churches and 12 mission stations without buildings. Under the growth of its labors this need will be largely augmented. There are also 50 fields without a manse.

In view of the situation we make the following recommendations:

1st. That an Ad-Interim Committee of six be appointed, three from the Home Mission Committee, and three from the Synod at large, to consider the whole question of Home Mission Equipment needs, and report to the next meeting the amount of money necessary to meet said needs, the policy upon which the Equipment Fund shall be employed, together with the proposed plan of securing the funds.

2nd. That should other matters involving large financial consideration be presented to the Synod at its next meeting, final judgment upon the same shall be held in abeyance pending the consideration of the report of this Ad-Interim Committee.

JOHN S. FOSTER, Chairman.

The following resolution regarding a training school for delinquent colored boys, was received and adopted:

A Petition to the General Assembly of the State of North Carolina from the Synod of North Carolina of the Presbyterian Church in the United States:

Viewing with concern the large numbers of negro boys in North Carolina annually charged with petty crimes and serving sentences in County jails and chain gangs in contact with mature criminals, believing that this practice is resulting in a constant and increasing manufacture of criminals and is consequently causing both a grave moral danger and an enormous burden to the State, and believing that there is a wiser and more humane way of handling this class of youthful offenders, the Synod of North Carolina of the Presbyterian Church in the United States in regular session at Lincolnton on October 26, 1922, hereby respectfully petitions the General Assembly of the State of North Carolina to press the establishment in this State of the proposed Reformatory for negro boys similar to the Jackson Training School for white boys now in existence.

A communication from Miss Mebane regarding prison reform was received, and the Stated Clerk was instructed to inform her that Synod had taken action along this line.

The following resolution presented by Rev. Murphy Williams, regarding Prisons and Prisoners, was received and adopted:

Whereas, A committee of one hundred leading citizens, including many Presbyterians in North Carolina, co-operating with the several welfare agencies of the State, is endeavoring to focus the attention of our entire citizenship on the physical and moral conditions of the prisoners of the commonwealth with a view to having the prisoners dealt with in a manner according with the best sentiment of our people and the teaching of God's word:

Resolved, First, That the Synod of North Carolina in session in Lincolnton, expresses its interest in, and sympathy with every effort to have our prisoners dealt with in a wise, efficient and humane manner, with a view both to the protection of society and the transforming of our prisoners, so far as possible, into valuable members of society with healthy bodies, minds, and souls, strengthened, rather than weakened by the experiences of their prison life.

Second, That all of our ministers and churches keep in touch with and do religious work among the prisoners of the State.

R. MURPHY WILLIAMS.

Dr. C. B. McNairy, Superintendent of the Caswell Training School, adddressed Synod regarding mental defectives and the work of that institution.

Rev. J. R. Bridges was heard in the interest of the *Presbyterian Standard.* Synod heard this address with interest and earnestly commends the *Standard* to our people as the official organ of this Synod, and assures Dr. Bridges that we will back him up in his efforts to give us such a paper.

Synod adjourned with prayer by Rev. H. E. Gurney, to meet tomorrow morning at 9:00 o'clock.

THIRD DAY—MORNING SESSION

Lincolnton, N. C., Thursday, Oct. 26, 1922.

Synod met at 9:00 a. m. and was led in devotional exercises by Rev. R. C. Long.

The minutes of yesterday's sessions were read, amended and approved.

Rev. Sam Small of the M. E. Church, South, was introduced and invited to sit as a visiting brother, and addressed the body for a few minutes.

Rev. W. E. Hill made the following report of the Ad-Interim Committee on the Erection of a new Presbytery, which was received and adopted:

After careful consideration of the overture referred to it and of other suggested schemes for the erection of a new Presbytery in the North central portion of the State, from parts of existing Presbyteries, your committee is unable to offer a recommendation touching this particular matter.

We recommend the enlargement of the committee by the addition of two members each from the Presbyteries of Concord, King's Mountain and Mecklenburg, with instructions to take under consideration the Presbyterial lines throughout the Synod, and recommend such changes or re-adjustments as in their judgment will make for the more successful and effective prosecution of our work, and that Dr. C. M. Richards be made chairman of the committee.

Respectfully,
WILLIAM E. HILL, Chairman.

The Committee on Bills and Overtures made the following report, which was adopted:

The following overtures have been submitted to your committee:

1. From the First church, Charlotte, touching appropriations from Synodical funds to causes other than those specific causes for which they are presumably contributed. We recommend that this overture be answered in the negative.

2. From the Presbytery of Wilmington asking for an ad in-

interim committee to consider the advisability of a central treasury. We recommend that this overture be answered in the affirmative.

Respectfully,

W. E. HILL, Chairman.

[Later the Moderator appointed the following on the committee called for in the above report with reference to a Central Treasury. Rev. C. E. Hodgin, Chairman; Rev. A. R. McQueen, Rev. W. R. Coppedge, Rev. W. A. Murray and Ruling Elders J. B. Johnston, Mocksville; O. L. Clark, Clarkton; John B. Sparrow, Washington.]—STATED CLERK.

The Permanent Committee on Women's Work made the following report, which was received and adopted:

REPORT OF PERMANENT COMMITTEE ON WOMAN'S WORK

The report of the Woman's Auxiliary in the Synod of North Carolina for the year ending March 31st, 1922, indicates that their work is in excellent condition and that in many points there was gratifying advance over that of the preceding year. There are now 282 societies with a total membership of 11,612, being an increase of eight societies and 1,211 members. The increase appears to be more largely through the growth of existing societies than through the organization of new ones, which would indicate that the work throughout the Synod is in a very healthy condition and that some advance is being made in the organization of new societies in those churches in which there have been none.

The total of gifts to all causes amounts to $198,137.00, an increase of $7,393.00 over the preceding year. The actual gifts to miscellaneous causes were nearly ten thousand dollars less than last year. It is also to be noted that the increase has been fairly uniform throughout the schedule of causes which seems to indicate that women are consistently following the benevolent scheme of the Church. A decline in the gifts to educational institutions and the orphanage is no doubt due to the fact that special efforts were being made in behalf of these causes in the preceding year. The per capita gifts were slightly smaller than last year.

It is with pleasure and gratitude that we report the completion and dedication of the Lottie Walker Building at Barium Springs erected by the women.

The women are especially to be congratulated upon their excellent form of organization and business methods and the thoroughness and consistency with which they are carried out. We believe that their splendid work and excellent progress are in no small part due to this admirable organization and business method.

Some minor changes have been made in the constitution of the Auxiliary in the Synod. These amendments provide for an Editor of Woman's Department in the Presbyterian Standard, a Secretary of Young People's Conferences and Student Work, a Secretary of Orphanage Work, and a reduction in the contingent fee from 25 cents per member to 15 cents per member.

The Auxiliary has continued to foster the Young People's Work and its efforts are bearing fruit.

RECOMMENDATIONS

1st. That the Synod approve the plans of the Auxiliary to hold an annual conference for Colored Women within the bounds of the Synod.

2nd. That Synod congratulates the Auxiliary on the completion of the Lottie Walker Building at Barium Springs and records its appreciation of their efforts and liberality in providing this valuable and much needed addition to the Orphanage plant.

3rd. That Synod again earnestly recommends to those churches which have not adopted it, the introduction of the Auxiliary Circle plan, and urges upon the Presbyteries that they use every means to encourage those churches where no organized woman's work exists, to inaugurate the Auxiliary.

WM. E. HILL, Chairman.

The Special Committee on the Young People's League Manual, made the following report, which was adopted:

Your committee would recommend that by reason of the lack of clarity in the proposed Manual for the Young People's League, the Manual be sent back to the Young People's Conference for revision and re-submission to Synod.

J. J. MURRAY, Chairman.

The special committee appointed to consider co-ordinating the committees of Synod made the following report, which was adopted:

The committee appointed to investigate and report on the advisability of co-ordinating all the Committees of Synodical Work, would respectfully report that we have considered the advantages and the disadvantages and that we do not think the plan conducive to the efficiency of the Synod's work.

J. R. BRIDGES, Chairman.

The committee on Christian Education and Ministerial Relief, through its chairman, Rev. R. A. White, made a verbal report, which was received as information.

The committee on Schools and Colleges made a supplementary report, which was received and adopted as follows:

The reports of the Mountain Retreat Association and the Montreat Normal School have been placed in our hands.

We note with satisfaction that the Association has successfully resisted the attempt of the Mt. Mitchell Development Company to maintain a toll road through the Association's property. Also that a magnificent auditorium has been completed at a cost of $53,000.00, or about one half the amount named by contractors.

As to the Montreat Normal School, Synod heard the substance of the report in the address of Rev. R. C. Anderson, and expresses its appreciation of the great work the school is doing, and commends it to the liberality of God's people. As to the request of the School that it be placed on the budget of the Synod, we would reply that the beneficiary of money given to Schools and Colleges is designated by the Presbyteries and not by the Synod.

THE BIBLE IN STATE SCHOOLS

In obedience to the Synod's instructions that your committee investigate the possibilities of offering an optional course of English Bible at our State Educational Institutions, we beg to report that we had one conference and several communications with President H. W. Chase of the State University, and that we received assurances of sympathy for this work.

We recommend:

1. That the Synod instruct its committee to continue its investigation of this matter in all its phases, and that the following men be appointed to labor with the Synod's committee: Rev. Messrs J.

H. Henderlite and W. E. Hill, and Ruling Elders Z. V. Turlington and D. H. Hill.

2. That your committee be instructed to confer with other denominations to ascertain the feasibility of co-operation with them in this work.

W. M. HUNTER, Chairman.

The unfinished business—consideration of the report of the Committee on Stewardship—was taken up. The recommendations were taken up *seriatim* and the time for the order of the day having arrived, this went over again as unfinished business by vote of the Synod, and the report of the committee on Synod's Orphans' Home was presented by the Chairman, Rev. G. F. Bell. This report was received, and pending its adoption, Synod heard addresses by Rev. Messrs Murphy Williams, H. G. Hill and C. M. Richards, and the General Manager, J. B. Johnston. The report was adopted as a whole and is as follows:

REPORT OF THE COMMITTEE ON ORPHANS' HOME

The report of the Regents was placed in our hands and is submitted herewith.

We note with interest the following summary of the work:

249 children in the home with 14 more accepted for admittance.

The introduction last year of a business course into the curriculum and prospective plans for the early establishment of manual training, a physics laboratory, and a printing plant.

Systematic measures for looking after the children's health and physical development.

The addition of a swimming pool and other desirable equipment for wholesome recreation.

The building of a new kitchen modernly equipped and enlarged dining room, additional dormitory space for 100 girls, and a new laundry and sewing room, together with other enlargements and improvements.

A strong emphasis on the religious development of the children.

The fortunate securing of Mr. Joseph B. Johnston, to act as manager and treasurer, and thus relieve Mr. Hyde of an impossible amount of double work, which offices he is filling most acceptably.

The expenditure of $145,050.00 for buildings, repairs and campaign. $65,060.00 for general support, a total of $210,110.00.

Property to the amount of 425 acres and 28 buildings which with furnishings and live stock is conservatively estimated to be worth $435,000.00.

An interest—bearing endowment of $82,000.00. And additional invested funds of $12,000.00.

We rejoice at the great progress made, thank God and the regents and management, and take courage for an expanding work in the future.

We recommend:

1. That the regents be authorized to go forward with the following building plans for the next year, if the way be clear:

A Baby Cottage, capacity 25, ----------	$20,000.00
A Cottage for Boys, capacity 25, --------	25,000.00
A Teachers' Home, capacity 25, ---------	25,000.00
Repairs and completion of present work--	20,000.00
Total ----------	$90,000.00

Of this amount, ten thousand dollars is a Trust Fund already in hand.

2. That we seek to raise next year, $80,000.00 for building and repairs, and $70,000.00 for the general support fund, a total of $150,000.

3. That we seek to secure $100,000.00 of this amount from the Thanksgiving offering.

4. That this Thanksgiving campaign be put on intensively with adequate preparation and advertising.

G. F. BELL, Chairman.

Dr. McFayden was given the privilege of the floor, and addressed Synod for ten minutes in the interest of the Assembly's Training School.

The unfinished business, report of the Committee on Stewardship, was taken up and considered further. The report, as amended, was adopted as follows:

REPORT OF PERMANENT COMMITTEE ON STEWARDSHIP

Your Permanent Committee on Stewardship respectfully submits the following report:

1. At its last meeting the Synod took action for securing a full-time manager of Stewardship in the Synod, provided a suitable man for this important work should be available. This matter was referred to this Committee, together with the following persons, who were appointed to act in connection with the Committee in securing this manager and directing the work until the next meeting of Synod: Dr. A. A. McGeachy, Rev. J. E. Purcell, Rev. R. A. Lapsley, Jr., Dr. E. C. Murray, Mr. A. M. Scales and Mr. Z. V. Turlington.

The Committee as thus composed took this matter under immediate consideration. After several conferences and careful deliberation, Mr. J. B. Spillman of Columbia, S. C., was selected as the man most eminently fitted for this position by reason of his high Christian character, his devotion to the progress and well-being of the Church of Christ, as well as the careful and systematic thought and study he had given to the subject of Stewardship during a number of years. Mr. Spillman accepted the call extended to him by the Committee in the name of the Synod and entered upon the duties of the office January 1st, 1922. From that time he has devoted himself to the numerous and varied and exacting demands of the work with unremitting diligence and notable ability.

The financial statement covering the receipts and expenditures is given later in this report. It is not possible to incorporate here any complete report of all the work that has been done by Mr. Spillman during the past ten months. Nor can we at this early date accurately estimate the full benefit of such an office. Your Committee is convinced that the action of Synod in establishing the office of full-time Manager or Secretary of Stewardship was wise and timely.

Furthermore, that if this policy shall meet with the hearty support of the Synod and be able to enlist the earnest co-operation of the Presbyteries and churches, each succeeding year will show increasing benefit to all benevolent causes, while at the same time it should prove no small factor in promoting the entire Progressive Program throughout the bounds of the Synod.

2. Your Committee respectfully calls the attention of Synod to the following facts:

When we began the campaign for $743,541 for the Benevolent Causes we discovered that some Presbyteries had not accepted their full apportionment so that the actual amount accepted by the Presbyteries for the year beginning March 1, 1922, was $703,036 or $40,505 less than the amount assigned to this Synod by the General Assembly. The result was as follows:

	Quota Accepted	Amount Subscribed	No. of Subscriptions	Churches Reporting	Memb. of Chs Repo'g
Albemarle	$ 45,000	$ 47,958	1870	26	4201

This report shows that 275 churches made a report of their Every Member Canvass, reporting that 23,703 subscriptions were secured amounting to $552,530. Included in this amount was $30,000 subscriptions by three churches for the educational endowment fund. This leaves a balance of $522,530 to apply on our quota of $743,541. So we were short of our goal $221,011. There were in these churches that made a report 26,594 members that made no subscription to the Benevolent Cause.

Two hundred and twenty-nine churches with a membership of 15,374 made no report. Of these churches, 104 were churches that are receiving Home Mission funds with which to help pay their pastor's salary. There are in this Synod 187 churches receiving such aid. Of these, 83 churches report having made an Every Member Canvass, securing 2,249 subscriptions amounting to $21,300. Had the other 104 churches done equally as well, fully $75,000 would have been subscribed by these Home Mission churches. Last year $97,444 was contributed for Home Missions in the Synod. This is about $10 to each communicant in these churches. Your Committee is con-

vinced by the report that many of these churches will become self-supporting if every member was induced to contribute weekly.

3. The following is the report of the Every Member Canvass for Benevolent Causes in the Home Mission Churches of 183 churches, 83 reported results of the Every Member Canvass:

The subscriptions to the Benevolent Causes for the year closing March 31, 1922, amounted to $540,000. Of this amount $30,000 was subscribed for Education and Endowment, leaving a balance of $510,000. Of this amount $495,187 was actually paid to the Benevolent Causes represented in our Every Member Canvass. This shows that we actually collected $15,187 less than was reported as pledged for these causes. On account of large special gifts made in this Synod the general impression seems to be that while the Synod has not subscribed its full apportionment to the Benevolent Causes that the receipts during the year have more than made up this deficiency. Not only is this untrue, but the actual facts as shown are that we have not collected the full amount that has been subscribed for these causes.. This false impression has been hurtful to our campaign.

4. We herewith give the figures showing the amount subscribed and the actual gifts to the Benevolent Causes represented in our Benevolent Budget and also subscriptions and contributions by Presbyteries.

	$540,000		

These figures show:

First, that we cannot expect to secure our entire Benevolent Budget unless it is raised by bona fide subscriptions at the beginning of the church year.

Second, That we are in great need of a better follow-up system than we now have.

Third, That the members of our Sessions, Boards of Deacons, Woman's Auxiliaries, Sabbath School and Young People's Societies must be brought to realize that the first obligation on the Church is

support of the benevolent work already undertaken, and that we are honor bound to support this work because it is of our own creation, and they have no one else to look to for support.

The Committee has approved a new method of apportionment worked out by our Secretary and the Presbyteries have adopted this method and six of the seven Presbyteries have already approved the following quotas:

Albemarle	$ 64,701
Concord	107,178
Fayetteville	110,214
King's Mountain	153,450
Mecklenburg	175,311
Orange	184,552
Wilmington	95,605
Total	$791,011

This Synod's apportionment of the $4,750,000 by the Assembly is $780,000. The quotas accepted by the Presbyteries are slightly in excess of that amount. We are encouraged to believe that the new apportionment is upon a more equitable basis and that it will receive better support by the churches than ever before.

Our Assembly Stewardship Committee is now preparing literature covering the five Departments of the Progressive Program:

1. Spiritual Life.
2. Evangelism and Missionary.
3. Christian Training.
4. Stewardship of Possessions.
5. Fellowship.

Pastors and sessions are urged to make use of this literature in promoting the work of their churches.

5. We herewith submit a general survey of the Synod as reported by the churches so that the Synod may have before it such facts as will enable it to take such steps as may seem wise to meet present conditions.

22,519 Presbyterians of the Synod of North Carolina subscribed $556,429, or an average of $24.70 to maintain the Benevolent Work of the Church.

43,360 Presbyterians subscribed nothing to maintain the Benevolent Work of the Church. Result—North Carolina failed to subscribe quota of $743,541 by $187,112.

7. The following recommendations are offered:

RECOMMENDATIONS

1st. That in view of the fact that we failed to subscribe our quota for the Benevolent Cause by $221,000 and the great need for this entire amount by our committees of the Assembly, Synod and Presbyteries, that March 4th be set as pay up Sunday. When the members having made subscriptions be urged to pay up in full for the year and those who did not make subscriptions to the Benevolent Causes be given an opportunity to make a special contribution to the Benevolent Causes on that day, so that each church may meet in full its apportionment for the year to every cause.

2nd. That Presbyteries be urged to observe the following apportionment: Foreign Missions, 33.3 per cent, Assembly Home Missions, 16 per cent, Christian Education and Ministerial Relief, 7.5 per cent, Publication and Sabbath School Work, 2 per cent, Bible Cause, 6 per cent, Assembly's Training School, 6 per cent, Synod's Home Missions, 10 per cent, Educational Institutions, 10 per cent, Barium Springs Orphanage, 7.5 per cent, Presbyterial Home Missions, 12.5 per cent.

3rd. That the churches be urged to consider the amount asked for each Benevolent Cause as the first claim upon their liberality after the pastor's salary and current expenses are paid, and that they be urged to raise their full quota for the Benevolent Causes before taking special collections for causes not authorized by the Assembly, Synod or Presbytery.

4th. That the name Secretary of Stewardship be substituted in the place of Manager, and that the Session of each church be requested to appoint a Secretary of Stewardship who shall be respon-

sible for promoting the Progressive Program in his church and forward his name immediately to M. E. Melvin, General Secretary, Times Building, Chattanooga, Tennessee.

5th. That all pastors of churches set apart four weeks, February 18th, to March 18th, for the Study of Stewardship of Life and Possessions in the church, Sunday School Classes, Woman's Auxiliary, Prayer Meeting, Young People's Society; literature to be furnished by the Assembly's Committee, and that March 18th be set as a day for the Every Member Canvass.

6th. That all churches not now using duplex or double end envelopes be urged to adopt this method of making their contributions so that our church membership may be trained to contribute on a weekly basis in conformity with recommendations of our Assembly.

7th. That parents be urged to make subscriptions to both Benevolent Causes and Current Expenses for each member of the family upon a weekly basis, so as to train each member of the family in Bible principles of giving and that our membership may be taught that giving is an act of worship and recognize that God is owner and we are but stewards of our possessions.

8th. That pastors be urged to lay upon the hearts of parents when baptizing their children the necessity of a family altar in the home in order that they may carry out their part of the covenant with the Lord in praying with and for their children.

9th. That in conformity with the action of the General Assembly, upon adjournment Synod adjourns to meet the second Tuesday in October, and that all Presbyteries be requested to fix the date of their fall meeting, after the meeting of Synod.

10th. That September 30th, or the first Sunday in April, be set as Sunday School enrollment day and that each church make this day a day of visitation of the families of church members and non-church members by the church officers, enrolling members in the Sunday School, securing the names of the unconverted, urging upon church members the establishing of the family altar in the home and securing such information as will be of benefit in promoting the work of our Lord Jesus Christ in their Church.

11th. That each church be urged to organize a Laymen's Association whose first duty it shall be to promote the Progressive Program.

12th. That the following goals be set for the Synod:

1st, 12,000 families enrolled in the Family Altar League of the Synod of North Carolina.

2nd, One won to Christ by each church member.

3rd. At least one life enlisted for Home or Foreign Mission work in each congregation.

4th, Sunday School enrollment equal to church membership, plus the number of children in the congregation who are not communicants.

5th, At least one out-station to each congregation.

6th, 16,000 Tithers enrolled in the Tithers' League of the Synod of North Carolina.

7th, $780,000 actually paid to the Benevolent Causes represented in our Benevolent Budget for the year beginning April 1st, 1923.

13th. That the Synod's Stewardship Committee shall be composed of twelve members and that at least one member shall be from each Presbytery. Four members shall be elected for one year; four members for two years and four members for three years; and thereafter, four members each year for a three-year period. The Committee shall elect its own chairman. The Committee shall elect from their number three members who with the Chairman shall constitute the Executive Committee.

14th. That the following Budget be adopted:

Synod substituted for this latter section of recommendation 14:

"That the committee be instructed to apportion 75 per cent of this amount to Synod's Home Missions, Educational institutions, Barium Springs Orphans' Home and the Presbyteries. And that the Assembly's Committee on Stewardship be asked to assume the remaining 25 per cent. If it declines to do so, the apportionment shall stand as above stated.

17th. That our Secretary of Stewardship, Mr. J. B. Spillman, be heard by the Synod at this time.

Respectfully submitted,
J. H. HENDERLITE, Chairman.

The committee on Assembly's Home Missions was received, and, pending its adoption, Rev. S. L. Morris addressed the Synod on this subject. The report was adopted as a whole and is as follows:

GENERAL ASSEMBLY'S HOME MISSIONS

Your committee on General Assembly's Home Missions submits the following report:

The Executive Committee of Home Missions expended during the year, $543,434.00 aiding in whole or in part, 634 workers, (not including wives of missionaries who serve without pay), serving 731 churches and stations, who received into the church 9,638 upon profession of faith and 2,908 upon certificate, making a total of 12,546 added to our rolls through agency of Assembly's Committee, which is only about 2000 less than the net gain in membership from all sources.

The General Assembly apportioned $720,000.00 for this work, or

16 per cent of the total apportionments. The committee actually received from the churches $543,431.00.

The Synod of North Carolina was apportioned $118,966 and gave only $52,496—shortage, $66,470.

We recommend:

1. That Synod urge the churches to be more faithful in providing the necessary funds for this cause, and would especially urge the sessions to insist that in the distribution of benevolent funds, the full per cent assigned by the Assembly and adopted by the Synod of North Carolina be forwarded to the Assembly's Committee and not be scaled in the interest of other worthy objects.

2. That November 12-19 be observed as Home Mission week.

3. That our churches be urged to form Mission Study Classes using the books written by the Secretaries of this committee—"Unfinished Tasks" of the Southern Presbyterian Church, by Homer McMillan, and "Presbyterianism" by S. L. Morris.

Respectfully submitted,
J. E. PURCELL, Chairman.

The committee on National Training School for Negroes made the following report which was adopted:

NATIONAL TRAINING SCHOOL FOR NEGROES

Your committee appointed at Tarboro to consider and make recommendations relative to taking over the National Training School for Negroes, located at Durham, N. C., hereby informs the Synod that due investigation and consideration have been given this matter and we recommend that no action be taken regarding the same at this time.

Respectfully submitted,
DAVID H. SCANLON, Chairman.

The order of the day was taken up and the committee on Sabbath School and Young People's Work made the following report which was received and adopted as a whole:

REPORT ON SUNDAY SCHOOL AND YOUNG PEOPLE'S WORK

Your Committee begs leave to report that the work in its hands has made substantial progress.

In co-operation with the Synodical Auxiliary, the annual conference for Young People was held at Davidson College, June 6, to 13. It proved to be the best attended of all four that have been held under these auspices, 280 being present. A larger attendance of young men was registered, twice as many as at any previous conference, the number being 80. All the Presbyteries were represented. The faculty and program were up to the standard, and the enthusiasm and interest taken, together with the personal conferences held and the decision for life service reported, prove the work we are doing is meeting with a fine response on the part of the young people. Echo meetings have been held in all but one of the Presbyteries since the conference. All the members of your committee attended the conference at some time during its progress, and took part in the deliberations for setting up next year's conference, which we have decided to hold at Davidson again.

The committee also carried out the order of Synod and elected a superintendent, accepted the offer of $3,000 from the Assembly's Committee of Sabbath School and Young People's work as his salary. Mr. Claude T. Carr, formerly of Asheville, N. C., a school man acting also as paid superintendent of the First Church Sunday school of Asheville, was unanimously chosen, accepted, and began his connections with the committee on July 1st, 1922. Mr. Carr has visited all the Presbyteries, presented his work, and has taken part in a Standard Training School at Charlotte, in October, and has engagements for setting up other schools at different places. His services are offered to any church and community for work of this kind, and for work among the young people's societies. His home is at present in Mooresville, N. C.

The total expense of the Davidson Conference was $2322. Delegates paid $2055, Woman's Auxiliary, $200. Other sources, as books, etc., $67. After meeting other expenses, the committee has in bank, counting previous reserves, $445.49. The committee has also expended $200, received from the Home Mission Committee for the work of Superintendent.

Your committee would bring to Synod's attention the practical value of the Daily Vacation Bible Schools, and would urge all our churches to put on the schools in their communities. The month of June is recommended as a suitable time, or any other time, when the children are not likely to be scattered. The expense of these schools need not be large, especially if voluntary teachers can be found. The Committee at Richmond, Virginia, will gladly furnish literature to

any one who desires to acquaint themselves with this valuable new adjunct to religious education.

The committee would also urge the co-operation of the Presbyteries with this committee, through its superintendent, in setting up standard training schools, institutes, organizing young people's societies, and training of teachers and leaders for this work in various ways.

The Presbyteries reports indicate that there are 492 Sunday schools in Synod having a total enrollment of 57,856, against a church membership of 65,879, with 16,469 children under 10 years of age, giving a total possible Sunday School attendance of 82,348, but showing a discrepancy of nearly 5,000, if every member of the church belonged to some department of the Sunday School. In other words, about 68 out of every 100 Presbyterians are enrolled in Sunday school. Reports show that 110 churches have no Sunday school, and 132 report a decrease in Sunday School attendance. Total contributions for all causes, $106,736.00.

We would express the endorsement of this committee that September30th, be set as Sunday school enrollment day, and that each church make this day a day of visitation of the families of church members and non-church members by the church officers, enrolling members in the Sunday school, securing the names of the unconverted, urging upon church members the establishing of the family altar in the home and securing such information as will be of benefit in promoting the work of our Lord Jesus Christ in their church; and that Sunday school enrollment should equal church membership, plus the number of children in the congregation who are not communicants.

There are 274 young people's societies reported with a total membership of 8,226, contributing to all causes, $12,069.00. The societies reported, through the Woman's Synodical Auxiliary, that 126 mission study classes were conducted, as compared wth 87 of last year. This increase is attributed in large measure to the standards set up by the young people's organization at the annual conference. It will be of interest to Synod to know that our young people's societies are thus aligned: about 130 are Christian Endeavor Societies, while over 140 are societies with various names, not connected with Christian Endeavor.

There were 17 echo meetings of the Davidson Conference, held in various sections of the Synod by the young people, themselves, gathering many who had not been privileged to go to the Conference.

The attendance was about 3,000, which shows a decided increase of interest in this movement among our young people.

We recommend:

1. That Synod ratify the action of the committee in electing Mr. Claude T. Carr as superintendent of S. S. & Y. P. Work.

2. That Synod elect Mr. Claude T. Carr as superintendent for the next Synodical year at a salary of $3,000 and his expenses for travel and office.

3. That Synod request the Presbyterian Standard to set apart when the way is clear, a section of that periodical to be known as the Department for Sunday School and Young People's Work.

4. That the Synod of North Carolina respectfully overtures the General Assembly to change the report blanks so that there shall be one on Woman's Work, and another on Sunday School and Young People's Work.

5. That the Superintendent of Sunday School and Young People's work shall be a member of teh Board of Directors of the Young People's Conference and a member of the Executive Committee of the same.

6. That through the work of this committee, co-operating with Presbyteries committees and the superintendent of Sunday School and Young People's Work, Standard Training Schools be set up in local churches and groups of churches, and institutes for Sunday School work and Young People's work also be held in the Presbyteries wherever practicable.

J. G. GARTH, Chairman.

The following concurrent resolutions of the Committee of Sabbath School and Young People's Work and the Home Msision Committee were adopted:

Concurrent resolutions of the two committees of Synodical Home Missions and Young People and Sunday School work of the Synod of North Carolina.

We recommend to the Synod the adoption of the following resolutions:

Inasmuch as the department of Sunday Schools and Young People's work has grown and is growing in importance and has so large and important a field of operation, and

Inasmuch as the work of this committee and that of the committee of Home Missions of the Synod are so intimately related,

1. Be it resolved that these two committees of the Synod be affiliated, and that in their organization this affiliation be expressed in the following manner:

The Chairman and the Superintendent o feach Committee shall be ex-officio members of the other Committee, and the Chairman of the Executive Committee of each shall be ex-officio member of the Executive Committee of the other, with the Superintendent, (if there be one other than the Chairman) as alternate.

Resolved, 2nd. That the Committee of Home Missions as thus constituted be empowered to make such appropriations for the work of the Committee of Sunday Schools and Young People's Societies as may be necessary and as the demands of the other departments of the work shall justify.

Resolved 3rd. That the fact of this affiliated relation and the larger financial obligation thus incurred by the Home Mission Treasury be impressed upon our churches as an added reason for their loyalty and full support.

J. G. GARTH,
A. W. CRAWFORD.

The following report of the committee on the Minutes of the General Assembly was received and adopted:

Your committee finds nothing in the Assembly's Minutes requiring action by the Synod.

A. R. McQUEEN, Chairman.

The Trustees of the North Carolina Home for Religious Workers made the following report which was received and adopted:

NORTH CAROLINA HOME FOR RELIGIOUS WORKERS

The Board of Trustees of the North Carolina Home for Religious Workers, located at Montreat, N. C., in making this the Sixth Annual report for the Home, would gratefully acknowledge the good hand of God in His manifest blessing upon this institution.

The accommodations of the Home are limited and many of those who would like to have made use of its accommodations were unable to do so for lack of room. About 170 persons were entertained there during the conference season of this year and the number would easily have been many more if there had been room.

Your Board of Trustees is anxious to enlarge the home so that it will accommodate at least 100 persons at a time. Those who attended the conferences this year were from every class of workers, from the Young People's Conference to the general conferences, thus representing every class in our churches. The price charged for board and lodging was nominal, being only $8.50 per week which is very low for the excellent accommodations given.

The Home is free from debt and owns one of the most beautiful and best located lots in Montreat, and if the good people of our Synod will furnish the means for enlarging it and defraying the traveling expenses of some of our most excellent workers of limited means, its usefulness can be greatly increased. It is evident that the great work of Montreat and its conferences is just beginning and furnishes an opportunity for many of our tired and over-worked ministers and others to hear the finest addresses on every phase of religious work, and learn new methods, and at the same time, be built up in mind and body and catch an inspiration and vision for greater things for the Master, than they had before.

Synod must prepare to take advantage of these ever-enlarging opportunities at Montreat and cannot afford to give them up.

Besides the uses above referred to, at the request of Rev. R. C. Anderson, President of the Mountain Retreat Association, the Board of Trustees has agreed to permit the use of its building by the school of the Assembly, located there, during the winter months, thus the property is serving a double purpose for good.

Money will be needed to keep up repairs to the building, and for replenishing its equipment, and your Board of Trustees has never had one cent of money from the Synod but raised among its members and some other good friends, the money which paid for the building and

which has paid its running expenses above that received from the guests entertained there.

Your Board of Trustees recommends:

First. That this cause be commended to the good people of our Synod, and they urged to furnish the money, some $40,000.00, for enlarging and properly equipping the Home.

Second. That pastors and sessions, ladies auxiliary officers, Sunday School officers and teachers, and officers of young people's societies be urged to co-operate with the Board in bringing its advantages to the attention of their members.

Third. That churches and Sunday schools be requested to have at least one collection during the year and forward same to Mr. W. H. Belk, Treasurer, Charlotte, N. C., to aid in making necessary repairs to building and paying the traveling expenses of some of our most useful workers who have limited means.

Respectfully submitted,
WILLIAM BLACK, Chairman.

The committee on Resolution of Thanks made the follownng report which was adopted by a rising vote:

VOTE OF THANKS

The committee on Resolution of Thanks begs leave to submit the following report, namely: that we the members of the Synod of the Presbyterian Church in North Carolina, now in session in the Presbyterian church of Lincolnton, N. C., do hereby express our deep appreciation to the people of Lincolnton, to the pastor and members of this church for the kindness and courtesy shown us on this occasion.

We wish to thank the Lincolnton News and Lincoln Times for reporting the work of this meeting, and the editor of the Times for the pains he has taken to give us a brief history of our church in this place.

We realize, that for the most part, the burden of caring for the representatives has fallen on the good women of this church and on those of other churches, who have glady assisted in entertaining, and we wish to express to them one and all, our sincere appreciation for the unselfish and hospitable and admirable way in which they have accomplished the task.

We wish to thank Mr. R. S. Abernethy and his efficient committee for the admirable way in which they looked after and provided for the comfort and entertainment of one of the largest representations the Synod of North Carolina has ever had.

The Synod also records its warm appreciation of the excellent reports of the proceedings of the sessions of Synod made by Miss Mamie Bays for the columns of the Charlotte Daily Observer; reports that were notable by reason of their fullness, accuracy and intelligent grasp of the business of Synod.

Respectfully submitted,

W. R. GREY.

The Standing Committee on Union Theological Seminary made the following report which was received and adopted:

REPORT OF STANDING COMMITTEE ON UNION THEOLOGICAL SEMINARY.

Your committee has received and carefully examined the annual report of the Board of Trustees. The reports shows God is continuing to bless this great institution. There are several matters of special interest that your committee would call to the attention of the Synod.

1. The large number of students enrolled. There were 112 students in the Seminary last year, twenty-nine of these were graduated.

It is noted that the enrollment this year is 120, representing 21 states and five foreign countries. This distribution of the students show how a large a territory is reached by the Seminary.

2. That the Sprunt Lectures were delivered by the Hon. W. J. Bryan, and are now in book form under the title, "In His Image."

3. A course in church music has been added, and is taught by Dr. G. G. Snydor.

4. We note a deficit of $4,122.00 incurred during the year.

5. The Seminary sustained a great loss during the summer in the death of Dr. Theron H. Rice, Professor of English Bible and Pastoral Theology.

6. Rev. Ernest T. Thompson, Jr., has been secured to teach English Bible for the year, and Pastoral Theology is being taught by Dr. W. T. Thompson.

We recommend:

1. That Synod caution Presbyteries about sending unprepared men to the Seminary. That in extraordinary cases when it appears wise to permit a man to take a short course a part of this be taken at College.

2. That our Synod express its sense of loss in the death of Dr. Rice, especially in the sphere of spiritual life.

3. In view of the fact that the moral and spiritual atmosphere of the Seminary has always been a great asset and the life of Dr. Rice contributed so much to this, we recommend that the members of Synod make the spiritual life of the students an object of prayer.

4. That the Synod expresses its appreciation of the address of Dr. W. T. Thompson, unusually instructive and inspiring, and the faculty of our Seminary be assured of our continued prayer for them in their work.

Respectfully submitted,
D. T. CALDWELL, Chairman.

The report of the committee on Foreign Missions was received, and, pending its adoption, Rev. Egbert W. Smith, Assembly's Secretary of Foreign Missions, addressed the Synod on his recent trip to Africa. The report of the committee was adopted and is as follows:

REPORT OF SYNOD'S COMMITTEE ON FOREIGN MISSIONS

The survey of our missionary enterprise in the regions beyond, presents a mingled aspect of lights and shadows. Wonderful progress is manifested everywhere in the reception of the Gospel by the heathen. The shadows are found mainly at home.

The scaling of the appropriations on the part of the Executive Committee has seriously handicapped the work, but the Committee, working under the direction of the General Assembly, could do nothing else.

The fact that $53,575 less has been received for Foreign Missions during the first six months of this year, must go back to something beyond figures. It must be interpreted as a serious lack of prayerful interest on the part of our people.

A comparison of the gifts of the Presbyteries for the years, 1921 and 1922, may be interesting:

Albemarle	gave in 1922,	$ 13089;	1921,	$ 12230,	increase	$ 859
Concord	gave in 1922,	23965;	1921,	27380,	decrease	3415
Fayetteville	gave in 1922,	26936;	1921,	35348,	decrease	8412
King's Mt.	gave in 1922,	9542;	1921,	10331,	decrease	789
Mecklenburg	gave in 1922,	43918;	1921,	35664,	increase	8254
Orange	gave in 1922,	75241;	1921,	69376,	increase	5865
Wilmington	gave in 1922,	29685;	1921,	34132,	decrease	4447
Synod	gave in 1922,	$222376;	1921,	$223861,	decrease	$1485

The Presbyteries of this Synod have given, from April 1, 1922, to September 30, 1922, when the report was sent out by the Executive Committee, the following amounts:

Albemarle	$436
Concord	6958
Fayetteville	6385
King's Mountain	861
Mecklenburg	12204
Orange	21580
Wilmington	14668

Whatever else these figures show, there is cause for great gratitude when we think of the amazing growth of the two past decades in our foreign work. Here is the comparison:

In 1902, there were 166 missionaries, 132 native workers, 21 schools, 1,078 students, 1 hospital, receipts, $164,883.

In 1922, there were 463 missionaries, 3,406 native workers, 1,082 schools, 36,644 students, 17 hospitals, receipts, $1,148,005.

During the same period, our native communicants have grown from 5,191 to 44,834, all for which we devoutly thank the great Head of the Church, and take courage.

FINANCIAL

The excess of current liabilities over current assets on last April 1st, was $251,704, of which amount the Committee is paying interest on only $50,099. The Committee has a "Reserve Fund" of $45,340, which would reduce the above deficit by this amount whenever the Committee deems it wise to use this Reserve Fund. Our Endowments and Annuity Fund now amounts to $639,896, an increase during the year of $86,611. Our property in foreign lands, in the shape of buildings, land and equipment, totals in value, $1,296,508.

FROM THE FIELDS

During the year, forty new missionaries and five associate workers have been added to our roll. The number of additions to the field was 4,731. The total number of our foreign communicants is now 44,834. Our foreign Sunday schools increased from 1,142 to 1,327, and their membership from 68,584 to 76,707. The income from native sources on the field, was $274,578, which means that for every dollar contributed by the home church, about 25 cents was received from native sources.

In our African church the rate of giving is rising rapidly, the gifts last year being nearly twice those of the previous year. The number of those who tithe their increase of goats, chickens, ducks, corn, millet, cassava, etc., is increasing so swiftly that the proportion of tithers in the African church promises, in a few years, to surpass that in the home church.

The revival in Korea continues with unabated power. Perhaps the best proof of the permanent fruitfulness of the revival is its resulting passion for Christian education. In the last two years, the students in our day schools have increased from 3,000 to 12,000, and in our Sunday schools, from 12,000 to 30,000. These figures are without precedent.

In China, the grace of giving is swiftly increasing, and our Sunday schools are reported as growing "by leaps and bounds."

In Japan, God's blessing still rests upon the work, and it moves forward amidst difficulties.

Ten new missionaries were added to our force in Mexico last year, a native Presbytery was organized, and the outlook is promising.

Our three Brazil Missions report gratifying progress, and our great school in Cardenas, Cuba, the largest Protestant school in the island, reports a year of phenomenal growth and a student body of 609, the enrollment being limited only by the dormitory capacity.

In all our fields, the need of equipment is simply desperate. We have utterly outgrown our building accommodations, and could fruitfully expend $3,000,000 to meet the expanding needs of our swiftly growing work. For example, Korea two years ago, was complaining bitterly of inadequate school accommodations. Since then, her student body has grown from 3,000 to 12,000. Imagine her present condition.

RECOMMENDATIONS

Your Committee desires to make but few recommendations:

1. That the churches of this Synod be earnestly urged to put this great cause upon the hearts of the people in such a way that their response will enable us to meet the sacred obligation to give the Bread of Life to those who are looking our way, and for whose evangelization we have accepted the entire responsibility.

2. That this Synod urge upon the churches the entire payment of the $1,498,500 assigned by the Assembly's Foreign Mission Committee which will liquidate all indebtedness, and furnish funds for needed expansion.

3. That churches, church societies, and individuals assume definite obligations for the support of definite parts of the work, and that by study and heart searching prayer, we may receive some such vision as the Saviour intended, when He said, "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

A. S. JOHNSON, Chairman.

The following additional report of the Home Mission committee was received and adopted:

The Home Mission Committee of the Synod hereby recommends to the Synod for its approval and adoption the following plan for Laymen's work among prisoners:

1. That Dr. J. W. McNeill of Fayetteville be appointed General Leader of the work.

2. That the elder on the Home Mission Committee of each Presbytery be appointed leader for his Presbytery.

3. That the Presbyterial leader appoint a special leader for each county in his Presbytery, whose duty it shall be to take direct responsibility for and oversight of the work in his county, conducting and securing assistance for conducting, religious services for the prisoners, and taking such other measures for the advancement of their welfare as he may devise.

4. That the county leaders report to the Presbyterial leaders, they to the General leader, and he to the Home Mission Committee for transmission to the Synod.

By order of the Committee,

A. W. CRAWFORD, Chairman.

It was ordered that the Executive Committee of Christian Education be stricken from the list of Synod's committees.

Rev. D. T. Caldwell was added to the committee on the Erection of a New Presbytery in the place of a member from Wilmington Presbytery removed from our bounds.

The following resolution in regard to Near East Relief was adopted:

The Synod of North Carolina regards with profound sympathy the dire need of the stricken Armenian Christians and other unfortunate people of the Near East, and warmly commends the work of the American Commission for Near East Relief to the co-operation and liberality of the Presbyterians of North Carolina.

The committee on the Minutes of Presbyteries made the following report, which was adopted as amended:

The committee appointed to examine the records of Presbyteries report as follows:

That the minutes of the following Presbyteries be approved, viz.: Fayetteville, King's Mountain, Mecklenburg, Albemarle, Wilmington, Concord and Orange.

Respectfully submitted,
J. E. L. WINECOFF, Chairman.

The special committee appointed to report on the communication of Dr. J. P. McCallie, regarding Men's Work, recommended that Synod appoint a Permanent Committee on Men's Work. The Moderator appointed the following: R. C. Carson, A. R. McEachern and W. H. Belk.

Respectfully submitted,
F. L. JACKSON, Treasurer.

The following resolution of thanks was adopted by a rising vote:

Resolved, That Synod express its hearty thanks to Mr. F. L. Jackson and Miss Hattie Thompson for their faithful, voluntary services as Treasurer and assistant Treasurer respectively of the cause of Synod's Schools and Colleges.

The committee on Narrative presented the following report which was adopted:

1. The narratives from the several Presbyteries sent up to Synod indicate that in most cases services held adequately meet the needs in the various communities, but this would seem to be an optimistic report in view of the fact that there are in the Synod so many vacant churches and so many other churches that have only one service per month.

2. For the Synod the average attendance on church services would appear to be on morning service 75 per cent, evening 50 per cent, midweek prayer meeting 20 per cent.

3. Partial reports show that there were added to the churches of Synod on profession, 3339; on certificate 2840.

4. Of those added on profession, 2261 were scholars in our Sabbath schools.

5. Two hundred twenty-eight evangelistic meetings are reported with good results in the most of cases.

6. Two thousand and thirty-two families have erected the family altar but only 602 are enrolled in the Family Altar League.

7. Seven hundred and two communion services have been held during the year with an average attendance of approximately 75 per cent of the membership of the churches.

8. The Presbyteries uniformly report that the Lord's Day is observed, but do not go beyond the inquiry printed in the Narrative blank to say whether it is kept holy, or simply "observed."

9. A regretable unfaithfulness on the part of many parents is reported in the matter of presenting their children for baptism.

10. Parents are reported as teaching their children the catechisms of the church.

11. Scholars are faithfully taught the catechisms in the most of our Sabbath schools.

12. Sabbath school scholars memorize scripture in almost all cases, and hymns in not a few.

13. All Presbyteries report their pastors as faithful in teaching the stewardship of life and possessions.

14. Two thousand eight hundred and eleven tithers are reported.

15. A distressingly large proportion of our churches failed to pay in full their apportionments for benevolences.

16. Almost all pastors were paid their salaries fully and in a few instances these salaries were increased.

17. As to "worldly conformity" the Presbyteries vary in their reports from "very little" to "a great deal," according, it is to be supposed, to the interpretation of the words adopted in various cases.

18. Conducting evangelistic services outside of their own bounds was not common among the churches.

19. It appears from reports submitted to your committee that in most instances our churches made efforts during the year to secure recruits for the ministry, but the effort was far from being as general as it should have been.

C. M. RICHARDS, Chairman.

The following report of the Committee on Leave of Absence was received and adopted:

2. The Three Year Course in English leading to a Diploma.

3. A Special Midwinter Course for Pastors and Missionaries wishing to freshen up on Theological questions of living interest and on modern methods of practical work.

4. A Course of Advanced Studies leading to the Degree of Doctor of Divinity. The Seminary confers this Degree not as an honorary title, but in recognition of proved attainments and eminent scholarship as evinced by the successful completion of prescribed courses of advanced graduate study.

IV. MISSION WORK

The students have continued to carry on zealously their mission work at Seventeenth Street Colored Mission, the City Jail, the State Penitentiary, the Laurel Reform School, the Beaumont Farm, Bon Air, Pine Camp, Westbrook Sanatorium, the Soldiers' Home and the factory work, besides their regular street preaching.

The Society of Missionary Inquiry, with more than one hundred members, has had the benefit of a large number of special addresses by returned missionaries and other representatives of the advance work of the Church.

The missionary spirit in the Seminary is strong. Thirty-four of the students are volunteers for the foreign field.

V. SPRUNT LECTURES AND OTHER SPECIAL COURSES

The tenth annual series of James Sprunt Lectures was delivered in November, 1921, by Hon. William J. Bryan. They have since been published in book form under the title of "In His Image." The book is having phenomenal circulation, four editions having been run off in the first month.

The ninth series of lectures on this Foundation by Professor J. Gresham Machen, of Princeton, has also been published in a volume entitled "The Origin of Paul's Religion."

The special courses by Professor George M. Sleeth in Public Speaking and by Dr. G. G. Sydnor in Church Music were given; but as we had so many students this year, we did not attempt to give the usual Mid-Winter Course for Ministers. We had not the dormitory space to offer them.

VIII. NEW BUILDINGS

Schauffler Hall, our model Sunday School building for Normal work, has been completed and was dedicated and formally occupied on October 9th, 1921. It is a valuable addition to the equipment of the Seminary and is in constant daily use, affording facilities for our work which we have long desired. It is a remarkable embodiment of the departmental idea of the Sunday school, and we aim to make it a center of expert training in everything that pertains to the fundamental work of the religious instruction of the young.

In order to accomodate the increased number of married students, men who are turning aside from other vocations in their early thirties to the work of the ministry—we have erected a new apartment house named in honor of one of the most illustrious of Presbyterian worthies, Samuel Davies Hall.

If the number of our students continues to increase, we shall have to provide for still more dormitory space in the near future.

IX. GIFTS AND BEQUESTS

The sum of $107,067, has been added to the permanent funds of the Seminary during the year, representing contributions or bequests from thirty different sources. The majority of these contributions were in the fulfillment of pledges or the payment of bequests which have been previously reported. About $25,000 represents new gifts, chiefly the contributions of Mrs. John S. Kennedy and her sister, Mrs. A. F. Schauffler, for the completion of Schauffler Hall and to form a nucleus for an upkeep fund for this building.

We report with deep gratitude to God the triumphant comple-

tion during the month of April, 1922, of the Million Dollar Campaign of the Synod of Virginia. A similar Campaign has now been inaugurated in the Synod of West Virginia; and, while from neither of these sources have any funds come as yet into our hands, the Trustees of the Seminary hope that sufficient additional funds will be received during the coming year to at least guarantee that there will not be a repetition of the deficit which they are obliged to report for this year. Union Seminary participates in the Virginia Campaign to the extent of 33 1-3 per cent and in the West Virginia Campaign to the extent of $50,000.

REPORT OF BOARD OF REGENTS OF BARIUM SPRINGS

REPORT OF MANAGER TO REGENTS

We have received during the Synodical year forty-five children, and twenty-four have left, as follows: six by graduation; one by death; one adopted; sixteen by returning to relatives.

On October 1st, we were caring for 249—106 boys and 143 girls, and have accepted applications for nine girls and five boys.

EDUCATION

E. McS. HYDE, SUPERINTENDENT

Our school embraces eleven grades. The first seven, primary and grammar grades, with an attendance of 196 children, follow, in its essentials, the State course of study with addition of our Catechism to the regular curriculum. Realizing that so many children go through these grades without acquiring an adequate knowledge of their own language, either in correct usage or facility of expression, especial stress is laid upon language. The child is carefully trained in habits of thought and study, for it is in these plastic years that his life is made or marred. The subjects taught in the grades are spelling, reading, writing, arithmetic, English language, and grammar, geography, history, physiology, and civics, drawing, vocal music and piano. Each grade carefully and conscientiously covers the ground assigned to it. A special endeavor is made to avoid overlapping or undue acceleration or retardation. Frequent efficiency tests are made to ascertain or verify the progress of the pupil. That the symmetrical development of the child is the aim and meaning of education is never lost sight of by the teachers or matrons. To secure this, heart is developed as well as head and hand. So well have our teachers succeeded in this respect that we can assert that, judged by the standard of efficiency set for public schools, our school as now constituted, is one of the very best.

We are at present endeavoring to establish a course in Manual Training for the purpose of giving systematic training in manual processes, so that when they boy goes out in life he will have a trained hand as well as head and heart.

The High School course comprising the eighth, ninth, tenth and eleventh grades, compass sixteen standard units, enabling our graduates to enter A grade colleges as full freshmen. Of our graduates (6) the past year, one has entered the State University, one the North Carolina College for Women, one Flora MacDonald, and one Mitchell College. All these presented units that satisfied the requirements of these Institutions, and all making good from all reports. A defect in our High School curriculum hitherto has been the absence of a laboratory for the proper teaching of science. A remedy for this, we think, is already in sight and we hope to offer this year, or, at latest next year, a full year of physics with the requisite amount of laboratory work.

The introduction into our curriculum this year of a practical business course, under the care of a competent teacher of experience, has filled a long felt want for something that will enable our graduates who do not attend college to enter the business world in the line of promotion. Besides the other advantages accruing from such training are obvious. None are allowed to enter this course until thoroughly prepared in English. The admission of more children made possible by the erection of the magnificent Woman's Building, and the enlargement of Rumple Hall, will soon call for the corresponding enlargement of our present school bullding—McNair Hall.

We need more books for the library. No considerable accessions have been made in this respect for several years. Our reference works, dictionaries and encyclopedias are a decade behind the times

Our corps of eleven teachers is made up of cultured, refined, college-trained women, the majority of whom have had much experience in their vocation. Considered as a whole, our school has made much progress and its success is highly gratifying. This fact does not deter us, however, from seeking to improve it constantly in any respect that we find its efficiency as a preparation for life may be promoted.

At present, we have 196 children in the grades, and 64 in the High School.

WORK

The work on the farm, the truck farm, dairy, and repair department is done by the boys under a competent group worker in each department.

The girls likewise perform the necessary work in the laundry, sewing-room, kitchen, dining-room and the housekeeping for the various cottages, under matrons. This work is done for the most part cheerfully and well. The new laundry and sewing-room, built and equipped by Mr. C. W. Johnston, of Charlotte, will soon put us far ahead in these two departments.

As soon as we commence using the new laundry, the old laundry quarters will be converted into a print ship, and we are already taking steps to secure the necessary equipment for this. We hope before summer to be again printing the Orphanage paper, and giving to a group of boys the very useful training to be gotten in this work.

We plan to stump about twenty acres of partially cleared land to add to the farm; to put ten acres of the present farm into orchards, and to increase our herd up to at least fifty milkers, to care for the present enlargement of the Institution. A list of the products of farm and dairy is attached to the report.

HEALTH

Dr M. R. Adams, Physician Miss Della Brown, Nurse

The health of the children during the year has been uniformly good, only one serious illness, which resulted in the death of one little

boy. As an aid in the better care of the health, and promoting the physical development of the children, we have installed in the Infirmary a weighing and measuring apparatus, by which the children are all given examinations quarterly and growth and increase in weight carefully noted. If any one fails to show proper development, they are singled out for examination by a physician to determine, if possible, the cause of their lack of growth.

RECREATION

The following recreational features have been added during the year: A splendid swimming pool, due to the generosity of the Men's Club of the Second church of Charlotte. This pool, while not only being a tremendous source of pleasure to all the children, is also an added fire protection. A wireless outfit has been installed in Alexander Building, the gift of Mr. W. W. Glenn of Gastonia.

A moving picture machine, the gift of Dr. R. H. Lafferty of Charlotte, is now installed in the auditorium and by enabling us to give weekly shows, is proving a great source of pleasure and entertainment.

A promising foot-ball team is being gotten up among the larger boys and is the cause of much enthusiasm. The necessary equipment has been furnished by a friend of the boys. The Mecklenburg Christian Union has equipped us with tennis and basket ball necessities, so that at present, athletics are flourishing in a healthy manner.

EQUIPMENT

During the year, there has been added a new kitchen, with bakery, cold storage and modern appliances of every kind. An enlarged dining-room, to care for the eventual five hundred, additional sleeping room in Rumple Hall to care for thirty more girls. The Lottie Walker Building, the gift of the ladies of the Synod, will house when full, sixty-eight girls.

The new Laundry and Sewing-room, the gift of Mr. C. W. Johnston, will soon be ready for use. The central heating plant has been enlarged, the boilers being given by the Mooresville Cotton Mill.

Annie Louise Cottage is about ready for use again after being remodled. This work being paid for by Mrs. John Sprunt Hill of Durham. Heat has been installed in the Burrough's Building, the Superintendent's residence, and Alexander Cottage.

Also, Alexander Cottage has been completely worked over inside, painted, etc., and new furniture for sitting-room and bed-rooms provided, the gift of the King's Mountain Presbyterial.

A new granary has been built and an additional dairy barn is now under construction.

A residence for the manager is also in course of construction, which completes the list of buildings ordered by the Board during the year.

For the building program for the current year we recommend as follows, as a minimum:

1st Baby Cottage to care for 20 to 25 younger than six years.

2nd. At least one cottage for boys, of high school age, twenty-five capacity, but by re-arrangement, of present cottage will give added capacity of 35.

3rd. Teachers home to house ultimate capacity of 20 teachers and eleventh grade girls.

If the Board sees fit to enlarge on this program, another boys' cottage would be in line, as capacity for 120 boys, will have to finally be added to balance up with the present capacity for girls.

Other buildings needed to carry out the Synod's five-year program will be enlargement of school facilities, and building an enlargement to the church, or a new church.

An industrial building with wood working, and metal working, tools, and shoe shop for making and repair of shoes.

The money outlay for the program as outlined is estimated as follows:

1st. To carry out the needed repairs to Synod, Lee's and Howard's Cottages, and the completion of projects now in building	$20,000.00
2nd. Baby Cottage	20,000.00
3rd. Boy's Cottage	25,000.00
4th. Teachers' Home	25,000.00
Total	$90,000.00
Money already in trust by legacy for Baby Cottage	10,000.00
Balance to be raised Thanksgiving Campaign	80,000.00

The support fund for current year is estimated at $70,00.00. Of this amount about $50,000.00 is supposed to be handled through the regular weekly contributions of the churches and subscribed to in the every members' canvass. Whatever part of the entire $70,000.00 is not raised in this way, must be gotten through the Thanksgiving Campaign, in order to keep from going in debt.

RELIGIOUS

REV. H. M. PARKER, D. D. Pastor of Little Joe's Church

S. A. GRIER, Sunday School Superintendent

There are at present 101 church members among the children, twenty-six being added to the roll, by profession of faith during the past twelve months.

Chapel is conducted every morning in the dining-room, just after breakfast, in which all the children join by repeating scripture and

singing. All except the very smallest attend prayer meetings in the church once a week, and in each cottage every night prayer services are held.

Everybody attends Sunday school and church on Sunday, and we believe that the religious atmosphere is good.

FINALLY

We believe that God's blessing is on this work, as shown by the improved spirit of the Institution, and by the increasing generosity of the Church.

We rely on His Divine guidance in carrying on this tremendous work, and hope through this Divine guidance and help, to each year make of this Institution a greater power for good, and an ever widening influence in the Master's Kingdom.

JOSEPH B. JOHNSTON,
Manager & Treasurer.

Above report accepted by the Board of Regents and the minimum program adopted.

R. MURPHY WILLIAMS, President.

He shall publish a notice of the time and place of the meeting of the Synod at least once, a month before the appointed day. He shall sign all necessary certificates for the same, or for other official purposes of the Synod or its members. He shall prepare a detailed docket of business for the next meeting, and cause the same to be published in the Appendix of the Minutes of the last meeting. He shall have at each meeting of the Synod accessible to the Moderator, a sufficient number of dockets, a copy of the last printed Minutes of the General Assembly, and a copy of Alexander's Digest. He shall duly engross the Minutes of the Synod after their approval, for the printer, and he shall transmit said Records annually to the General Assembly for review. He shall cause to be published annually, in pamphlet form, at least one thousand copies of the Minutes of each meeting, as soon as practicable after adjournment, and distribute the same among the members and Church Sessions. He shall cause to be published in the Appendix of the Printed Minutes, the report of the Presbyteries on Statistics and Systematic Beneficence, the report of the Permanent Committees, the annual report of the Directors of Union Theological Seminary, a

roll of the Ministers of Synod by Presbyteries, and a list of the Officers, Appointees and Permanent Committees, together with the Standing Rules. He shall forward a copy of the printed Minutes, annually to the Librarians of Union Theological Seminary, Davidson College, and the Presbyterian Historical Society, in Philadelphia, and he shall file at least three copies in the Archives of the Synod. He shall also from time to time, have the printed Minutes bound in suitable volumes and deposited in the Archives of the Synod. The Stated Clerk shall be charged with the further duty of reporting to the Moderator any vacancies to be filled by him, and of any deaths in the Ministry that may occur, and of reporting to the Synod the expiration of the terms of appointment of its officers and committees according to the Standing Rules.

11. **The Permanent Clerk**—It shall be the duty of the Permanent Clerk to take with the aid of the Recording Clerk, the daily minutes of the Synod. To read said minutes as required by the Synod, for Synod's information, correction and approval. To turn over such minutes to the Stated Clerk of Synod for engrossing or publication, to serve as the official reporter of the Synod. As such reporter: (a) To prepare a daily account of the proceedings for the daily papers; (b) To make account as full, complete and vigorous as possible, stressing those matters of interest to the general public; (c) To have typewritten copies made of such account, and send daily to all the larger dailies of the State, and to such other papers as may seem wise.—(1914.)

12. **The Treasurer**—It shall be the duty of the Treasurer to keep a strict and accurate account of all the funds received and disbursed, showing what Presbyteries have paid or have not paid their assessments, and for what purpose the funds have been disbursed. He shall submit to the Synod annually, his books, together with a report of the receipts and expenditures, presenting vouchers for the same.

13. **The Trustees**—It shall be the duty of the Board of Trustees, as the Synod's medium or agency, in all matters requiring the use or aid of the civil law, to receive, take charge of, and manage to the

best advantage, and account to Synod for, according to law, all property and estate belonging, or which may accrue and enure to this Synod; and they shall hold in trust, subject to the order of Synod, the said property, and all legacies and bequests which may be willed to the Synod in behalf of charitable and other objects under its control, and they shall make a full report, in the premises, whenever occasion or circumstances shall require.

14. **The Permanent Committees**—It shall be the duty of any or all of the chairmen of the Permanent Committees, including the President of the Board of Regents of the Orphans' Home, if deemed advisable, to arrange for, and to hold popular meetings in the interest of the respective causes they represent. These popular meetings if held, shall be in connection with, and at the time of presentation of the Report of the Committee, and they shall in no wise interfere with the Standing Orders of the Synod. And it shall be the rule, as far as practicable, to hear in this connection and at this time the Secretaries of the General Assembly, and other representative brethren, in the interest of the corresponding cause which they may represent. And it shall be the duty of the chairman of the several committees, in arranging for the aforesaid meetings, to correspond with the representative brethren, who are expected to be present prior to the meeting of Synod, as to the time when they are expected to be heard agreeably to the Standing Rules.

15. It shall be the duty of the Moderator immediately following the selection of the next place of meeting to appoint a Committee on Orders and Arrangements whose period of responsibility shall extend from the close of the Synod to the close of the next and whose business shall be to arrange for the Devotional Exercises and the entrie program of business for the next meeting of Synod conformably to the Standing Rules of Synod. The committee will consist of five members, one of which shall always be the pastor of the church where the Synod is to meet and others, the retiring Moderator and the Stated Clerk.—(1911.)

16. It shall be the duty of the Standing Committee on the Records of Synod to examine the Official Records, and report with special reference to the condition of the same and as to the neatness and faithfulness in the execution of the work, and whether or not the records have been sent up and approved by the General Assembly.

17. It shall be the duty of the Standing Committee on the Records of the Presbyteries to confer with the Stated Clerks of the Presbyteries whose records they are appointed to examine before submitting their reports to the Synod in order that the Clerks may have

opportunity to make explanation in regard to the records before the matter is brought before the Synod. And after the records are examined, the chairman of the several committees shall meet in committee of the whole and compare, classify and adjust to a common Standard of Judgment their criticisms and exceptions. They shall then elect one of their number who shall act as chairman of the committee of the whole, and who shall submit the judgment or criticism of all the committee on all the records in his one report to Synod.

18. It shall be the duty of the Standing Committee on Leave of Absence to receive and pass upon, before presenting their reports to Synod for approval, all excuses for absence from the last and present meeting of Synod, for tardiness, for absence without leave from the last meeting, and for leave of absence from the present meeting. All excuses shall be rendered to this committee and this rule shall apply to all the members of the Synod, except Foreign Missionaries, and infirm ministers who are not required to attend the meeting of their Presbyteries. It shall be the duty of this committee to refuse leave of absence to any members, except upon urgent reasons.

19. It shall be the duty of the Ad-Interim Committee on Memorials, to write simply and briefly a sketch, and not an extended history of the deceased.
